My Fellow Amvets Family

Well here we are again, the end of another month and year. . It sure has gone by fast. I hope everyone had a Merry Christmas and hope that you have a Happy New Year!

There are a few changes coming in the next month, starting in January Bang will be cancelled on every other Thursday mostly due to lack of participation. if you have a game that you would like to see replace it or better yet that you would like to run please contact one of the post officers, or come to the e-board meeting on the first monday of the month @ 5pm.

We are both happy and excited about the upcoming Member Appreciation Dinner on the 11th of the month. There are still a few seats remaining if you would like to attend. it promises to be an exciting event with a fine dinner,dancing and live entertainment. The post will be closed the day of the event and will open at 4:00 Pm for ticket holders. Les Moreland and his helpers have worked hard to bring this event to the post and I would personally like to thank them for all of the time and effort that they have put into this project.

On Sunday the 12th is the Ladies Aux bake sale. If you would like to bake something for the sale, I am sure that the ladies would be most appreciative, The money collected goes for various projects and charities in the community,

There is still time to buy a ticket or two for the Son's Lifetime Membership drawing which I believe is being held on the 31st of December. Tickets are \$10 and can be purchased at the bar, if you already have a lifetime membership you can opt for a \$400 cash award.

I would like everyone to be aware that the convention is coming up in February. I encourage you to attend if possible. It is a great place to connect with other people from other posts and i s a wealth of information relating to the duties and functions of various post positions. If you are thinking of running for an office at the post. This is where you get the training. It is also a great way to stay current on programs and things going on at the state level, not to mention that the post will pay for your room at the Rosen Center. if you are interested in attending please let us know as we are in the process of booking the rooms at this time, and the window for pre-booking is closing in two weeks

I am sure that I have left something out as I always do.so make sure that you pick up a calendar to stay current on upcoming events at the post. As always I am available to you for comments and concerns or just casual conversation. Thank you one and all for continuing to make post 2006 what it is today and i'm looking forward to what you make of it in the future

On a quick note the Ladies Auxiliary is still collecting for the food bank this month's prefered donation is canned veggies.

We are still collecting for the Homeless Florida Veterans. Please bring your slightly used blankets, jackets, and sweatshirts to the post and we will get them to the taskforce.

The deadline for membership dues for the Son's and the Ladies Auxiliary is December 31st.
