Dear AmVets Family

Well here we are again at the end of another month, even though it was a long month it went by just as fast as the previous months. I guess it is true what they say the older you get the faster it goes. All in all it was a very good month!

I hope all the mothers had a great Mothers day and the Memorial day celebration was quite the event. Many thanks to all that had a hand in making it happen

This month is equally busy with many things going on at the post, starting on Monday June 3rd with the Auxiliary E- Board meeting at 4 P.M Followed by the Members meeting at 4:30. Also don't forget that the AMVETS Membership meeting is on the same day at 6 P.M. Please take pride in being a member of this post by attending your respective meetings.

Flag Day falls on Saturday June 14th, We will be setting flags up around the grounds to show our support of this holiday. I would also encourage you to maybe place some flags around the yard of your home to show your neighbors that you support this great country.

The AMVETS State Convention will be this month also, starting on the 20th through the 22nd. I wish to thank everyone that has signed up to go. We have a pretty good turn out which I'm very pleased to see. The more people that go the louder our voice is at convention.

With so many of our members being Snowbirds and having left for the summer months, we have curtailed several of the regular activities at the post for the next three months until our friends from up north return. We will still be maintaining regular post hours, so please stop by and enjoy some great camaraderie and maybe a cold frosty one.

Be sure and stop by the post and pick up the June calendar listing what's happening at your post for the month.

For God and Country

Ronne McLarrin
Post Commander
